MEMROANDUM FOR: Director, Central Reference Service  
FROM : John F. Blake  
Deputy Director for Administration

Harry:

Thanks for your note of 10 December concerning  
the call from a Mr. Bill Drummond from the Department of  
State, inquiring about the use of the [REDACTED] I got into STATINTL  
the act and ran this thing down. It was a classical case  
of a comedy of errors. Sometime I will fill you in.

John F. Blake
